

CONTENEURS GN
containers | conteneurs gn | contenedores gn

Os contentores GN possuem uma dimensão padrão de comprimento e de largura de 530x 325mm, estabelecida de um 1/1. Sempre com base no padrão 1/1 há contentores múltiplos (2/1) e submúltiplos (1/2, 1/3, etc.), possibilitando composições personalizadas dentro do espaço 1/1.

GN containers have a standard length and width dimension of 530x 325mm, established on a 1/1 basis. Always based on the 1/1 pattern, there are multiple (2/1) and sub multiple (1/2, 1/3, etc.) containers, allowing personalized compositions within the 1/1 space.
